**MEMORANDUM FOR: AFRDR
Headquarters, USAF**

ATTENTION: Brigadier General Leo P. Geary
SUBJECT: School Assignment for Officers

1. Per our telephone conversation of 17 January 1966, it is requested that the following officers be withdrawn from the school assignment to the Air War College:

25X1A

25X1A

2. has been scheduled for the Industrial War College and desires to attend either in 1966 or 1967. Ideally, he would like to remain in his present assignment until 1967 provided he can attend then. Otherwise, he desires to attend in 1966.

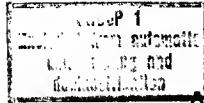

3. Because of the critical nature of the program at this time, I would appreciate any assistance you can provide to postpone the school assignments of these three officers.
